#### **2<sup>nd</sup> Call for Applications - ACP-EU Culture Programme for East Africa - Ignite Culture**

The ACP-EU Culture Programme, Ignite Culture, is a grant facility for the cultural and creative sectors being implemented by HEVA Fund, in partnership with the British Council Kenya with the financial contribution of the European Union and with the support from the Organisation of ACP (African, Caribbean and Pacific) States.

Project financing will be between 30,000 Euros and 180,000 Euros. The funding will help successful applicants develop programs and projects to grow their own cultural ventures. Projects should be geared towards increased and improved production of creative and cultural good and services through capacity building.

The guidelines and application procedures can be found on the British Council's website at the following address: <http://www.britishcouncil.org/east-africa-arts/ignite-culture>

Application should be done online on the website.

The deadline for the submission of applications is **17 August 2022**.
